FINANCIAL WILLINGNESS STATEMENT

The United States Citizenship and Immigration Service requires universities to obtain verification of an international student's financial resources, in order to issue the Form 1-20 ("Certificate of Eligibility for Nonimmigrant (F-1) Student Status"). Applicants must demonstrate that they have enough Funds to afford all expenses for the duration of the study program. The Willingness Statement below must be completed and endorsed by the student's financial sponsor, and it must be submitted with evidence of the sponsor's financial ability (i.e., a bank statement indicating the required minimum amount of funding available for your program) to Notre Dame of Maryland University's Office of International Programs.

The student should keep a photocopy of this completed form, because evidence of sponsor's willingness to support the student will also need to be shown to a U. S. Consular Officer at the time of application for an F-1 visa, at a U. S. Port of Entry, or with any other immigration application.

- The financial sponsor may be the student him/herself. There may also be more than one financial sponsor or source of funding. In that case, Willingness Statements and Ability Statements must be submitted from all sponsors and sources.

A letter may be submitted instead of this form, if it contains identical information.
